## GOVERNOR VISITS GORDONSVILLE

State Troops Pass in Review Before Their Commander in Chief.

### CAMP IN FULL SWING

Members of Virginia Commands Getting Taste of Service Similar to that of Real Warfare.

Gordonville, Va., July 24.—Governor Henry C. Stuart arrived in Gordonsville today to inspect the joint camp of the Virginia militia and the regular army troops. The commander-in-chief of the States forces was accompanied by Adjutant-General W. W. Sale and several members of his personal staff. In honor of the visit, a brigade parade was held on the grounds to the west of camp site.

The Governor arrived at the town of Gordonsville this afternoon. He was met by automobiles and a mounted escort from the staff of Brigadier-General C. C. Vaughan. After being brought to headquarters, he was the guest of Colonel E. W. Wilder, United States Army commandant of the camp, and General Vaughan. A reception for the officers was held and the review of the troops was held later.

The brigade parade was one of the features of the joint camp from a spectacular standpoint. The review of the First Infantry on Wednesday and of the Second Infantry yesterday attracted large crowds of townsfolk and persons from the surrounding country. The prospect of seeing the 2,000 troops in a huge ceremonial created considerable interest, and another big crowd witnessed the spectacle today.

The men are rapidly hardening under the system of instruction given by the regular army instructors. The majority of the men have never been in a camp such as this before, and are getting their first taste of this form of drills. Many changes, suggested by the campagns on the Mexican border, have been made in the regulations covering the movements, and these are being learned by the officers and imparted to their men.

A baseball game yesterday between the Blues and Gordonsville was called at the end of the sixth inning on account of heat and dinner call at camp. Lohman pitched for Blues, and Goodwin for Gordonsville. The score was 5 to 5.

### SOUTHERN RAILWAY DEFENDED

Attorney for Southern Say Millions Were Spent to Handle Coal.

Washington, July 24—Attorneys for the Southern Railway began their examination yesterday of B. L. Dulaney, an independent coal operator, of Bristol, Va.-Tenn., whose charges of discriminations against Southern ports by the railway under the influence of a coal trust are being considered by a Senate committee.

The attorneys brought out that the Southern had expended many millions improving facilities in the territory in question, and argued that was proof of the railway's desire to haul coal traffic.

Dulaney insisted that no reductions in rates which he charges are discriminatory against all ports south of Norfolk, had followed the improvements.

## NEWS OF THE DAY

A small-sized cloudburst, preceded by a five-minute, eighty-four-mile-an-hour gale and a period of midnight blackness, visited New York at 5:04 o'clock yesterday and caused wide spread terror. The squall was accompanied by an 18 degree drop in temperature, but the mercury began rising again a few minutes later. The gale ripped away awnings, smashed windows, tore down huge signs, overturned wagons, uprooted trees, and did other damage in outlying sections of the city.

General Francisco Villa in a statement issued yesterday in Camargo, Chihuahua, Mexico, virtually declared himself absolute ruler of the church in his territory, when he announced that in the future all priests and curates in his territory will be appointed by State officials, subject to approval by Gen. Villa, instead of by a regularly ordained bishop.

Two hundred persons have been drowned in floods throughout Bulgaria. Enormous damage has been done to property and crops, and railroad traffic is paralyzed.

Eluding guards stationed about Buckingham Palace, London, to prevent an attack by militant suffragettes, a lone "fury" stormed the residence of King George yesterday while representatives of all political parties were conferring on Irish Home Rule and created intense excitement. Windows were smashed with stones.

The Panama Canal will be opened for commerce to all ships needing not more than 3 0feet of water on and after August 15. This announcement was made by Secretary of War Garrison yesterday afternoon.

Thomas B. Lewis, of Birmingham, Ala., was fatally injured last Friday in the races being run under the auspices of the Federation of American Motorcyclists, now in convention in St. Louis. He crashed into the fence and fell over a 20-foot embankment during the first race of the day. He died a few hours later.

During three hours of rioting last night in connection with the street car strike in St. John, New Brunswick, soldiers charged a mob of 1,000 persons in Marquet square, cars were overturned and burned in the square, firemen in a power house were stoned and driven from work, and the city was left without lights for a time. The disorder was the most serious in 40 years. At midnight quiet had been restored, but in an expectation of further trouble today troops will be on guard in force.

It became necessary for Speaker Clark in the House yesterday to admonish Representative James W. Bryan, of Washington, a Progressive, that the lower body of Congress was not a "school of pugilism." Mr. Bryan, in a violent rage, had just brandished his fist in the face of Representative Martin B. Madden, of Illinois, and a few minutes previously he had approached Representative J. Hampton Moore, of Pennsylvania, who was making a speech, with the express intention of "curving the form of the gentleman over the benches" should he refer to him, Mr. Bryan, in a derogatory way.

Kier Hardie in the current issue of the Labor Leader, London, joins in the attack on the King and says: "George is not a statesman. If he had been in the ranks of the working class, most likely his fate would have been that of the street corner loafer. And this is the man who is being made a tool of by the reactionary classes to break the power of democracy and weaken and finally destroy the power of Parliament."

Eugene Newman, a 19-year-old youth, who last Saturday eloped with Anna Cleary, daughter of William C. Cleary, town clerk of Haverstraw, N. Y., and prominent in Rockland County Democratic politics, was shot and killed yesterday in Cleary's office here. Cleary surrendered himself to the justice of the peace, who committed him to the Rockland County jail. The boy had come from New York city, it was understood, to discuss with his wife's father the elopement, which culminated in marriage. There was some doubt whether Cleary knew before Newman's arrival that his daughter was married.

## NEW GOVERNMENT OF MEXICO

United States Believes It Will Be Permanently Established.

### PREPARES TO LEAVE

Will Not Interfere with Carranza's Intention to Execute Murderers of President Madero.

Washington, D. C. July 24—Roseate reports from Consul Silliman regarding his conferences with General Carranza have convinced the President that constitutional government will be re-established in Mexico by the middle of next month..

Already plans for the withdrawal of the American army and navy are completed, only awaiting the date and signature of the heads of the two departments.. Carranza is to grant real amnesty, the Stillman report says:

The exceptions will be the leaders of the Huerta revolution and the Madero murders—if they are caught—and for these the United States will not interfere, simply demanding that they be tried "according to the law." but not assuming to dictate whether it shall be military or civil..

Secretary Bryan believes that so soon as Senor Reginaldo Cepeda can reach Tampico and get into personal touch with General Carranza, the work of arranging for the transfer of the government from Carbajal will be greatly simplified. Cepeda is the intimate friend of both leaders, and his selection to negotiate a settlement was pronounced at the State Department an unusually happy one.

Inasmuch as all Carbajal will ask is amnesty for political offenders and the constitutional guarantee of protraction for foreign and domestic lives and property, and will renounce all desire of participating in the government Carranza can easily agree, in view of his declaration of yesterday, that "all Mexicans are brothers."

The Administration's reports from Mexico City declare that Carbajal has now a sufficient force to prevent Zapata or any other bandit taking the capital. He has withdrawn his veterans from the constitutionalist front for home defense..

### THE LIQUOR ISSUE.

Delegate from Fairfax Believes Eighth District Will Vote Wet.

Walter T. Oliver, member of the House of Delegates from Fairfax County, stated at the headquarters of the Local Self-Government League in Richmond yesterday his conviction that the Eighth Congressional District will give a majority of about 3,000 against Statewide prohibition. This district, he said, is strong for local option, but opposed to prohibition. He predicted a local option majority in his home county, Fairfax, of from 600 to 1,000.

### KILLS FEDERAL OFFICERS

Oklahoma Man Opposes With Shotgun Search for Liquor.

Tulsa, Okla. July 24—Holmes Davidson, United SStates marshall for this district and William R. Plank a deputy, were shot and almost instantly, killed here yesterday by William Baber, when they attempted to enter the later's house to search it for contraband liquor.

Baber met the officers at the front door of his house and refused them permission to enter. Davidson and Plank endeavored to force an entrance when Baber,, it is alleged, siezed a shotgun, and emptied its contents into the two men. Baber claims the officers did not produce a search warrant and that both the officers attempted to draw weapons before he fired.

Davidson, it is said, had a revolver in his hand when he fell. Baber formerly was chief of police of Tulsa..

## PLANS FOR THE HIGHWAY

Final Papers for Construction Will Be Signed on Tuesday Next.

Final plans for the signing of the contract between the public roads bureau of the United States and the Board of Supervisors of Alexandria County for the construction of a roadway from the southeast corner of Arlington Cemetery to the limits of the city of Alexandria were completed today. A meeting of the government representatives and those from Alexandria County was held at the office of the public road bureau in the Department of Agriculture. The contract is to be signed Tuesday at Alexandria County Court House.

The roadway is to be fifty feet wide, with sixteen feet of bituminous concrete in the centre, and is to have a four-foot shoulder. It will be similar to District of Columbia pavements, but it is declared by engineers that the roadway will be better than sheet asphalt.

The county officials were notified that unless the contract was signed and the money secured before August 1, the government bureau would not undertake the construction of the roadway, but would use the money in some other locality. A provision in the contract is that Alexandria Sounty shall keep up the roadway after it is constructed.

### WILL PUSH TRUST BILLS.

Senate Promptly Adopts Democratic Caucus Plan to Hold Daily Sessions.

Washington, July 24.—Determination to expedite trust legislation and bring Congress to an adjournment as soon as possible was demonstrated yesterday when the Senate promptly adopted the plan of the Democratic caucus to hold sessions from 11 A. M. until 6 P. M., with recesses from day to day in order to dispense with what is known as the "morning hour" for miscellaneous business.

Many Republicans voted with the Democrats and it was agreed that trust legislation should be pressed each day until it is disposed of. The Interstate Trade Commission bill, already discussed for more than a week at intervals, will now be taken up in earnest. Then will follow the Clayton bill, to supplement the Sherman act, and last will come the Railroad Securities Regulation bill, which was reported today by Senator Newlands, chairman of the Interstate Commerce Committee..

Aftermath of the Democratic caucus, which relegated to fourth place on the legislative program the River and Harbor Appropriation bill, brought many indications of an earler adjournment than recently had been hoped for. Many Senators privately asserted that they could see no chance for holding Congress after the trust legislation is passed.

Although some attempts were made to cheer the champions of river and harbor legislation with the assurance that Congress will wait long enough following trust legislation to pass their bill, there is such an undercurrent of opposition to the measure that the members believe that a quorum could not be held to consider it.

Administration leaders have set their hopes for adjournment by September 15 at the latest, with a possibility of concluding earlier.

They are encouraged in their expectation by the fact that several Republican leaders are interested in the bills, having taken part in their preparation, and also because the Republicans are as anxious to get home for the campaign as the Administration members themselves.

### A PROCLAMATION.

To the Officers Charged with the Duty of Conducting Elections Throughout the State of Virginia:

Pursuant to the provisions of an Act of Assembly, approved February 18, 1914, I hereby give notice that an election will be held at all of the voting precincts in this Commonwealth, on Tuesday, September 22, 1914, between the hours of sunrise and sunset, on the question of prohibiting the manufacture for sale and the sale of intoxicating liquors in this State.

Given under my hand this July 14, 1914.

H. C. STUART, Governor.

## ALARMING WAR CLOUD IN EUROPE

Austria's Ultimatum to Servia Causing Much Apprehension.

### FACES GREAT CRISIS

Should France and Russia Interfere a World-Wide Conflict Would Be Precipitated.

Berin, July 24—Unless Servia backs down from the expressed intention of refusing to comply with the demands of Austria, Europe will see the beginning of a "world war." This is the opinion freely expressed today in governmental, military, and diplomatic circles.

The unprecedented demands of Austria and the sharpness of the note addressed to Belgrade struck Berlin as a thunder clap and caused the greatest amazement. A high government official declared today that war or peace now rests entirely with Servia.

The attitude of the Belgrade government is believed to depend entirely upon the approval or disapproval of Russia.

Officials declare the gravest situation will be presented should France and Russia attempts to interfere.. In such event, it is declared, the conflict would be shifted over night from war between Austria and Servia to a situation menacing the peace of all Europe.

The ultimatum sent to Belgrade calls on the Servian government to suppress the Pan-Servian movement and punish those responsible for the assassination of Archduke Ferdinand of Austria. It is understood that Servia will refuse to comply with the demands of the ultimatum, which calls for a reply by 6 o'clock tomorrow.

The Berliner Zeitung today declares: "The note comes as a start, ling, glaring, lightning flash through the breathless, fearful cloud resting over Europe. Its dazzling sparks spurt from every side. With hearts standing still, the terrible crash which will shake the world is beng awaited..

"It was no diplomatic note sent by Austria. It was almost a declaration of war. Between the lines, the Austrian demands spring forth in flaming red letters of the mobilization orders.

Austria has made all preparations for war. A fleet of monitors is gathering at Semiln opposite Belgrade and for the past two weeks troops have been concentrating on the border. A partial censorship has been established by the government, and newspapers are prohibited from publishing any news as to the movements of troops or military preparations.

Baron Hoetzendorf, chief of the Austrian general staff, has ordered seven army corps held in readiness to invade Servia from Tamesvar, it is reported here today. Failure of Serva to comply with the demands of the Austro-Hungarian ultimatum will be followed immediately by invasion of the country, it is declared.

### ADDITIONS TO HOSPITAL FUND

One Hundred and Five Dollars and Fifty Cents Netted by Baseball Game.

The very interesting ball game between the Masonic lodges which was given for the benefit of the Hospital fund, netted $105.50.

It is gratifying to note that many of the pledges made during the hospital campaign are being redeemed in full or in part and others are arranging so as to place their pledge in commercial form. Mr. Arthur Herbert, treasurer of the trustees, is too busy a man to call on all the contributors and he would highly appreciate it if all who have given pledges would call at Burke & Herbert's Bank and arrange the matter in commercial shape, so that they may become available for immediate use when the hospital site is selected.

## CAILLAUX TRIAL STIRS PARIS

Love Letters Which Will Be Produced in Court Are Awaited.

### DRAMATIC INCIDENT

Prosecutor Declares Woman Was Within Six Feet of Victim When She Used Pistol.

Paris, July 24.— Mme. Joseph Caillaux stood within six feet of Gaston Calmette when she fired six shots, four of which sent bullets into the body of the editor and killed him in his office last March.

With the trial of the beautiful wife of the former prime minister having covered every angle, from political charges to the affairs of Caillaux and Mme. Gueydan, his first wife, this is the point Prosecutor Herbaux will bring out when medical experts, who examined the clothing and body of the dead editor, are called to the stand.

All Paris is anxiously awaiting announcement of the decision of Maitre Labori and Maitre Chenu as to the disposition of a packet of letters surrendered yesterday by Mme. Gueydan. Dramatically the woman, who charged that the present Mme. Caillaux stole her husband's love and drove her from her home, handed the packet of love missives to Labori after she had refused them to the prosecutor and Judge Albanel. Labori was told "to do as he pleased with them."

Labori declared he had never had such a compliment paid to him and turned to the jury, assuring them that they would know the contents of the letters as they had the right to expect.

It will rest with Labori and Chenu to decide whether the letters shall be read in open court or submitted to the jury in private.

With the opening of the trial today, M. Ceccaldi, Caillaux's political adviser, launched into a long poltical speech in defense of the former premier. Mme. Gueydan was not present in court.

There were repeated domonstrations today by sympathizers of Caillaux and those who were roused to frenzy by the story of Mme. Gueydan yesterday. Many women in the crowd outside the Palace of Justice hooted and hissed Caillaux when he appeared.

Mme. Caillaux appeared calm and completely composed when she took her place in the prisoner's box. She was even paler, however, than yesterday. Friends of Calmette openly declared that the apparent violent weeping yesterday during the testimony of Mme. Guaydan was feigned for the effect it would have on the jury.

# PREVAILING HOT WAVE

**Greek Laborer Overcome on North Fairfax Street and his Death Soon Follows.**

A wave of intense heat that set new records for the year in some places, spread over the greater part of the country yesterday. The weather bureau holds out no hope for immediate relief.

Alexandria sweltering under a temperature of 98 degrees, was the hottest city in the East. Marks of 100 or more were resigistered in some places.

One death occurred in this city yesterday from the heat. Entichy Foresuch, a Greek, 40 years old, walking on Fairfax st., between Oronoco and Princess streets, about 5 o'clock in the afternoon, was overcome by heat and died almost instantly.. When the man was seen to totter and fall to the sidewalk several persons, suspected that it was a case of heat prostration, ran to his assstance. Efforts were made to revive him, but he was found to be dead.

Dr. T. M. Jones, city cornor, ordered the body removed to Demaine & son's undertaking establishment and gave a certificate of death from heat prostration. Foresuch was a laborer and lived wth his wife and five children at 221 north Payne street He was a member of Alexandria Nest of Owls.

### JONES' NAME WITHDRAWN.

The fight that has been hotly waged against the confirmation of Thomas D. It was necessary for the boat to return to this city as soon as the excursionists had been landed in order to bring back many who had gone early in the day,, and who did not desire to remain for the last boat. It was midnight before all the excursionists reached home.

The members of the police force desire to express their appreciation of the hearty response made by Alexandrians and others. The sale of tickets far exceeded that of former years.

# PLANS FOR NEW SCHOOL

**Committees of City Council Meet Last Night and Perfect Perfect Arrangements for Bids.**

The committees on schools of the City Council met last night for the purpose of considering the plans of the proposed new high school building to be erected at the northwest corner of Cameron and West streets.

The meeting was held for the purpose of reaching an agreement as to the manner in which the building is to be erected, the style of brick to be used, etc.

Plans were formulated from which City Engineer Dunn can ask for proposals from builders.

The committee realized that the structure must be erected at a cost not to exceed the appropriation made by the City Council, but at the same time the members desire as far as possible that durable material be used and the building constructed in a manner whch will not provoke the criticism of the most fastitious.

In the erection of such a structure it is impossible to contribute the actual cost, although it can by careful consideration be approximated. This the committee is doing, and parts which cannot be executed as the people may wish, can be improved upon later.

Representatives of the committees on finance and public property were present at the meeting and there was a general inter change of opinion.

Those present seemed to be one accord, and the work of erecting the new high school building will soon be started.

### AUCTION SALE TOMORROW

Samuel H. Lunt, auctioneer, will sell at public sale tomorrow at noon in front of the Royal street entrance to the City Hall, the old brick house and lot at the southeast corner of Fairfax and Queen streets.

### MELONS ARRIVING.

**Coan River Cantaloupes Reach Here in Large Quantities.**

Coan River cantaloupes from the territory in Virginia about the mouth of the Potomac, are beginning to arrive in quantities, and in the coming week the season will be at its height.

In addition to the cantaloupes from Coan Fiver, the Norfolk line boats are bringing them in large quantities from North Carolina, and from the great trucking country about Norfolk and over on the Eastern Shore of Virginia. The cantaloupe season will last about a month and the steamboat lines from Norfolk and the lower Potomac will be kept busy handling them.

### FORTITUDE UNDER PAIN.

A remarkable exhibition of fortitude under pain was witnessed yesterday in Wilkes-Barre, Pa., and brought tears to the eyes of railroad men and police, who carried the mangled body of 14-year-old William Harkins to the Mercy Hospital. With one leg severed at the hip and the other smashed to a pulp from the knee down, the lad told how he had attempted to ride a freight train and had fallen under the wheels. For more than three hours young Harkins remained conscious, refusing to take drugs until he died.

### E. S. LEADBEATER & SONS' UNUSUAL OFFER.

**Sell Dr. Howard's Specific at Half Price and Guarantee a Cure.**

"It is not often that we have faith enough in the medicine put up by othe people to be willing to offer to refund the money if it does not cure," said E. S. Leadbeater & Sons to a Gazette man, who dropped into their store," but we are glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that basis.

"The Dr. Howard Company in order to get a quick introductory sale, authorizes us to sell their regular fifty cent bottles at half price, 25 cents and, although we have sold a lot of it, and have guaranteed every package, not one has been brought back as unsatisfactory.

"We are still selling the specific at half price, although we cannot tell how long we shall be able to do so, and anyone who is subject to constipation, sick headache, dizziness, liver trouble, indigestion or a general played out condition, ought to take advantage of this chance. You can tell your readers that if they are not satisfied with the specific that they can come right back to our store and we will cheerfully refund their money."

## ANOTHER USE FOR THE BIG STICK.

While some prefer to believe that conditions in Mexico are about to become tranquil, another source of annoyance is perplexing Washington officials. Haiti is the new storm centre, and it looks as though the United States will experience considerable difficulty in bringing about pacific conditions in that island.

As is generally the case, Haiti has angered European nations, and they are pressing this country to act the part of policemen.

San Domingo's position on the map renders it necessary for the United States to watch its internal affairs, and many years ago this country entered into negotiations for the acquisition of the island. The late Charles Sumner was one of the Commissioners sent to Haiti on that occasion. The time, however, was not ripe and the negotiations failed.

Daily advices received at the State and War Departments in Washington indicate that matters are steadily growing worse in Haiti. There is no longer any doubt but that the situation is rapidly drifting toward a state of affairs which will require American intervention.

Preparations for a possible occupation of the principal ports of Haiti and also Santo Domingo are going forward at the Navy and State Departments.

## BAD BLOOD OF POLITICS.

The histories of all countries abound in thrilling scenes which have from time to time disgraced the proceedings of legislative bodies. During the Thirty Years' War, which devastated a large portion of Europe and caused the deaths of thousands of people, at a conference designed to bring about a better understanding among the belligerents, some of the delegates were thrown headlong from an upper story window of the assembly hall. The unfortunates were dashed to pieces on the stones of the street.

Scenes at times in the German Reichstag verge on personal serious clashes.

Dramas which at times verged upon tragedies, have been enacted in the Congress of the United States. In bygone days, when such men as Benton, Foote, Preston Brookes, "Bowie Knife" Potter and others figured, bloodshed was at times narrowly averted by the interposition of more conservative spirits.

The assault on Senator Sumner by Preston Brookes in ante-war times was probably the most unfortunate occurrence of the days preceding the Civil War.

The attack made by Senator Bailey upon Senator Beveridge was comparatively recent. The Texan found but few apologists for his act.

There was another near-fight in the House of Representatives yesterday. The word "liar" was used once, a gentleman threatened to 'curve the form" of his antagonist over a bench, and most of the usual accompaniments of all near-fights in Congress were in evidence. Only one feature was missing. No one was invited to "come outside." It was a triangular affair, and Messrs. Bryan, of Washington, a Bull Moose champion; Moore, of Pennsylvania, and Madden, of Illinois, were the participants.

While the crisis was on Speaker Clark declared:

"This is no school of pugilism," as he whacked his desk with the gavel. As the Speaker mopped his brow with a red bandanna and dropped into his seat, he was heard to mutter:

"I don't know what's the matter with them, unless it's the heat."

South Carolina, which in the past was a political storm centre, appears to be redivivant.

Dr. J. H. McIntosh, who has figured in a political exchange with Governor Cole L. Blease, was shot yesterday at Columbia by an unknown assailant. The wound is not dangerous.

Blease had announced that when he spoke in Columbia he would call Dr. McIntosh to the platform to confront him with certain statements. Dr. McIntosh says his assailant, after shooting, made off, shouting:

"Now, you won't bother Cole."

Governor Blease found it necessary to close three clubs of Columbia during his speech at the campaign meeting yesterday. When the Governor began his speech combined cheers and howls of derision extending over a period of 15 minutes prevented his making himself heard.

## LEADBEATERS' SUCCESS.

### Great Popularity of Plan to Sell Medicine at Half Price and Guarantee a Cure.

E. S. Leadbeater & Sons, the enterprising druggists, rather than await the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half price.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c, Leadbeater & Sons have so much faith in the remedy that they will refund the money to anyone whom it does not cure.

When your head aches your stomach does not digest food easily and naturally when there is constipation, specks before the eyes, tired feeling, giddiness, bad taste in the mouth, coated tongue, heart burn, sour stomach, roaring or ringing in the ears, melancholy and liver troubles, Dr. Howard's specific will cure you. If it does not, it will not cost you a cent.

This latest achievement of science is of great value in curing sick headache. Thousands of women are today free from that painful disease solely through the use of this specific.

**Why Suffer from Rheumatism?**

When relief from rheumatic pains may be had at so small a cost it is surprising that anyone should fail to avail himself of it. Joseph Copparelli, Canastota, N. ### BITTEN BY MAD HORSE

**W. K. Dixon Takes Pasteur Treatment After Cows are Also Attacked.**

Portsmouth, Va., July 24—W. K. Dixon, a dairyman at Rodman Height began to receive the Pasteur treatment as a precautionary measure against serious results from being bitten by a horse believed to have suffered from rabies. He was attacked by the horse at his dairy last Friday night. The animal died Saturday morning.

Several days ago a dog, believed to have been rabid, invaded Mr. Dixon's premises and bit the horse on the leg It was also reported that the same dog bit several cows.

On Friday night Mr. Dixon went into the horse's stall, and the animal pawed at him and bit him on the right arm, close to the shoulder. On the following morning the animal, in a field, attracted attention when it seemed to be in convulsions plunging about and biting itself. The animal finally died.

### Methodists Will Fight State Fair.

Norfolk, Va., July 24.—The Portsmouth Methodist district conference yesterday before closing its conference at Smithfield, condemned the directors of the Virginia State Fair Association of Richmond for permitting the sale of intoxicating liquors at the State fair grounds and adopted a resolution urging all Methodists of the district to remain away from the fair this fall .

Ministers were outspoken in condemnation, declaring that the attitude of the directors was a defiance of the Christian people of the State. It is proposed to carry the fight on the fair into the pulpits of the district early in the fall. The pastors will appeal to their congregations to remain away.

"About five years ago I began taking Chamberlain's Tablets after suffering from indigestion and constipation for years without finding anything to relieve me. Chamberlain's Tablets helped me at once and by using them for several weeks I was cured of the complaint," writes Mrs. Mary E. McMullen, Phelps, N. Y.

**Woman's Duty to Herself.**

Every woman owes it to herself to keep in good health. No one can reasonably be expected to maintain a cheerful disposition when half sick. Indigestion and constipation are two of the most common ills to which women are subject and fortunately are easily cured. Mrs. H. C. Getty, Indiana, Pa., writes: "Last summer I was advised by a friend to try Chamberlain's Tablets for indigestion and constipation. This medicine not only cured me of these disorders, but toned up my whole system so that my health has been better than for years since taking them." For sale by all dealers.
